## AGENTS WANTED FOR THE OFFICIAL HISTORY OF THE WAR.

Its Causes, Character, Conduct and Results!

By Hon. Alexander H. Stephens.

## A Book for all Sections and all Parties.

This great work presents the only complete and impartial analysis of the causes of the War yet published, and gives the interior lights and shadows of the great conflict only known to those high officers who watched the flood-tide of revolution from its fountain springs, and which were so accessible to Mr. Stephens from his position as second officer of the Confederacy.

The public that has been surfeited with apparently similar productions, we promise a change of fare, both agreeable and salutary, and an intellectual treat of the highest order. The Great American War has at last found a historian worthy of its importance, and at whose hands it will receive that moderate, candid and impartial treatment which truth and justice so urgently demand.

The intense desire everywhere manifested to obtain this work, its official character and ready sale, combined with an increased commission, make it the best subscription book ever published.

One Agent in Easton, Pa., reports 72 subscribers in three days.

One in Boston, Mass., 103 subscribers in four days.

One in Memphis, Tenn., 106 subscribers in five days.
